Testimonials

Since you installed our new windows, I have been amazed at how well they operate. They look beautiful. They clean really easy. They open with ease. The locking and security locks are wonderful.

You did a great job of installing them. Your workers are very professional and they cleaned up very nice. When I am ready for more, I will call you for sure!

My wife and I recently purchased a storm door from AA Windows and Doors. The salesman suggested that the outside door handles and lock should be pewter, however, after the door was installed, we did not like pewter, and requested that they be changed to gold. They were changed without question, or extra cost. When the door handle and lock were changed to gold, the inside handle was changed to a shorter handle, which was more difficult to use (causing skin scrapes). We requested that the inside handle (and lock) be changed to the originals. Again, AA Windows agreed to change the inside handle (and lock) to the originals, no questions, no extra cost.

I believe that exceptional service as provided by AA Windows and Doors should not go unnoticed. They need to be recognized as a company, which totally stands behind its products, and believes in satisfying its customers to the greatest extent possible. Companies like AA Windows are few and far between.

I can't begin to tell you how very pleased my husband and I are with the quality of service your company provided. Your carpenters, Tom and Opie, did an awesome job on our windows. They were so attentive to details, above and beyond what we ever expected. The extra time and effort they put into this job is commendable. We sincerely appreciate your responsiveness and the way you conduct business. You have our heartfelt thanks for all you did for us. We have recommended your company to others because of our satisfaction with your service and will continue to do so. We have at least 10 more windows we would like to do once we get started on our remodeling and we look forward to doing business with you for years to come.

*It was a pleasure, thanks again!
